New Jersey High School Rodeo Association
Rules of Conduct and Contestant Responsibilities 2024/2025

I understand and will abide by the following rules of conduct and all rules in the National High School Rule Book at all High School Rodeos and help with the following responsibilities.

1. **I must be in rodeo attire prior to performance, during the member meeting, and during the entire rodeo.** Dress code includes hat, long sleeve shirt (buttoned and tucked in), back number, **western boots** and jeans. No clothing can be worn with another trademark that conflicts with the National Sponsors. I will be conscious of the fact that my attire any time I am on the rodeo grounds is a reflection of the association and therefore should be age-appropriate and in good condition.
2. **I must be on time for posted rodeo check in.** If an unforeseen circumstance will cause me to miss the posted check-in time it is my responsibility to notify the rodeo check-in secretary and to find another contestant to check in and pay my fees prior to close of check-in or I will not be able to compete.
3. **I understand that no profanity of any kind is permitted on the rodeo grounds.** I must always display team support and good sportsmanship. Conduct or speech of any kind detrimental to other contestants, or the sport of rodeo and this association while in attendance or traveling to and from a rodeo may result in disciplinary action.
4. **I may not use or have any association with alcohol, tobacco or illegal substances while on the rodeo grounds or while representing NJHSRA in any capacity.** Rowdy behavior, quarrelling or fighting on the rodeo grounds at any time will result in disciplinary action.
5. **I will not discipline my horse in the arena nor abuse any stock in any way.** Training my horse should take place at home and not in front of spectators. If my horse is injured in any way I will seek appropriate veterinary care and will notify the Event Secretary if I cannot compete.
6. I will understand that I will help pick up trash after the rodeo and am responsible for the overall condition of the area around my trailer and camping site.
7. **I understand it is mandatory to attend all student meetings at the rodeo. There will be student meetings at every rodeo. If I am not in attendance at the meetings I understand that I will receive a warning for the first missed meeting and face possible disqualification from one rodeo performance for a second meeting.**

8. I will be responsible about call-in. I will have needed information (stalls, campsites, etc.) needed and call in on the appropriate date and time for each rodeo I am performing in. I understand that if I miss the posted call-in times I will not be able to compete in that performance.

9. **I will be responsible for any and all fees.** If I am unable to attend a rodeo which I have called in for, I will contact the rodeo secretary as soon as possible. I will be responsible for entry fees unless otherwise excused due to injury of my horse or myself. In case of injury or sickness I will provide within 24 hours a signed excuse from a doctor or veterinarian.

10. I understand that payback money will be available only after the rodeo is complete.

11. I understand that parent and guardian misconduct will not be tolerated.

Initial next to the acknowledgment clauses below and sign/print as indicated below:

_____ I understand the above rules apply in addition to the rules outlined in the National Rules, Bylaws and Constitution under the Contestant Disqualifications section. I understand that disciplinary action may include censure, probation, removal, suspension, or permanent expulsion.

_____ I understand the above and acknowledge that the first time abusing any of the above rules or rules outlined in the National Rules, Bylaws and /Constitution will result in a warning and second offense may result in the removal of any and all points or other appropriate disciplinary action at the discretion of the National Director and Executive Board of the New Jersey High School Rodeo Association.

NJHSRA Social Media Code of Conduct

Our Mission Statement:

- Promote the sport of rodeo and the highest type of conduct and sportsmanship and expose its positive image to the general public.
- Preserve the Western heritage.
- Offer the privilege of family bonding.
- Offer an opportunity of continuing education.
- Maintain the highest regard for the livestock.

Social Media has become an important and integral part of how we communicate, promote and market ourselves and NJHSRA. With this comes responsibility. There is a degree of perceived ambiguity as to what constitutes ethical behavior when participating in a personal way as a member of NJHSRA.

In addition to the previous code of conduct that members have signed, this social media code of conduct aims to provide guidance on your responsibility as a member of NJHSRA. Please Note: When you are in NJHSRA or NHSRA Attire (**even if it is just a buckle**) it is imperative that you adhere to these standards:

1. **Public vs Private:** Most social media platforms have privacy or group settings. Despite this it is difficult to guarantee that what you are sharing is fully private. Therefore, you should assume that anything you share can be read by anyone, anywhere at any time and remember the internet has a long memory.
2. **Exercise Good Judgement:** Basically, if you would not want your parents, grandparents, employer or the board of NJHSRA seeing your post then you should not share it! It is important to understand the impact that your post has on you personally as well as NJHSRA. NJHSRA in accordance with our parent organization NHSRA holds its members to a high code of conduct. This code should guide you in your decisions on what is appropriate to post on social media.
3. **Respectful:** **Never** post **malicious, misleading, or unfair content** about your **organization, competitors, or other stakeholders**. Do not post content that is **obscene, defamatory, threatening, or discriminatory to an individual, or the organization**. Do not post comments that you would not say directly to another person and consider how other people might react before you post.
4. **Responding to Posts:** Do not involve yourself in comments that are in response to someone challenging the sport of rodeo. For example, don't respond to a post that would engage you in a dialogue from an animal rights activist who is challenging the treatment of livestock.

In accordance with this social media code of conduct all members (including adult members) have been given notice to the expectations outlined above. If you need to report/discuss a situation that has occurred, the student may go to any board member to guide you through the process of reporting. Concerns will then be directed to the **Student Advisory Committee** who will discuss the situation with the board.

Should a member of NJHSRA violate the intent of this social media code of conduct the following disciplinary actions will take place:

First Offense: \$50.00 Fine

Second Offense: \$100.00 Fine with loss of 1 performance. Student must be present at this performance and assist in the arena.

Third Offense: Student will be deemed ineligible for the remainder of the season and will not be able to participate in any rodeos for the remainder of the season.

ACKNOWLEDGEMENT OF RESPONSIBILITY

I _____ have read and am familiar with the rules pertaining to this amendment to the NJHSRA code of conduct and I agree to the conditions of this conduct and behavior policy agreement and assume responsibility for my actions.
